#### Profile

As I prepare to defend my final-year project for my bachelor's degree in software and data engineering, I am deeply passionate about digital technology, the web, design, and social media content creation. As a born-again Christian, baptized in the Holy Spirit, and called to serve in youth training ministry, I integrate my academic expertise and natural talents to foster the spiritual empowerment of young people. My vision is for youth to cultivate an intimate and profound relationship with God –knowing Him deeply and obeying Him— while harnessing their full potential in service to others.
